VOTE ON ISSUE IS

SET FOR NOON TODAY If Cloture Fails, Consideration Of Bill To Continue.

(By The Associated Press) WASHINGTON, July 6 .- Defeat of the Republican motion for cloture on the administration tariff bill appeared to be virtually certain tonight, on the eve of the vote on the issue which is set for

Democratic leaders claimed, and Republican leaders conceded, that it would not be possible to maintain for the motion the two-thirds majority necessary to nivoke the existing rule which would limit debate on the bill and its amendments to one hour for each senator.

Leaders on both sides were hopeful, however, that out of the move would come an unanimous consent agreement for the limiting of debate, at least on the less important items in the measure.

To Go Ahead. If the cloture move fails, consideration of the tariff bill will go steadily ahead Whether there will a return to night ses sions may depend upon the outcome of cident was laid to the Pyrene Fire the negotiations by which it is hoped to Extinguisher by Captain Thomas cut down debate and speed a final vote. The bill received little consideration to day, practically the entire session beng
